2019 Habitat Restoration Workdays

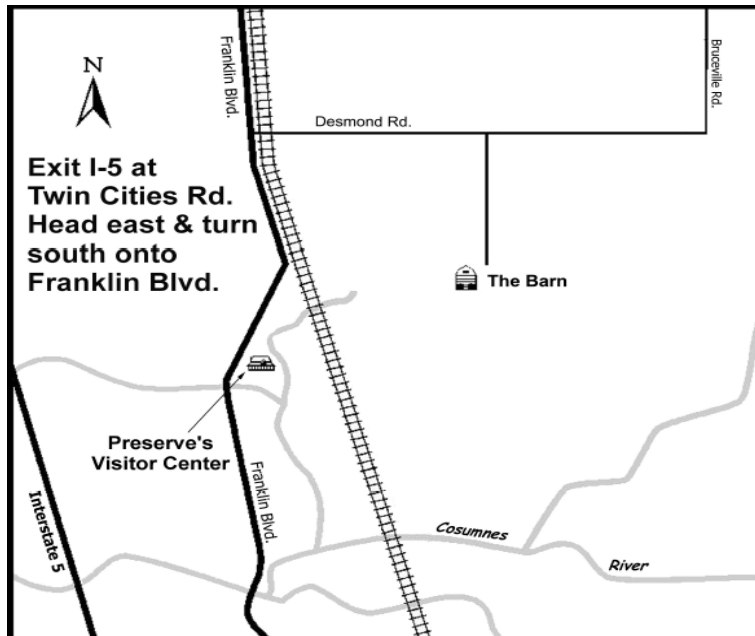

Come lend a hand!

The Habitat Restoration Team (HRT) is an opportunity like no other! It is open to anyone 18 or older that wishes to be truly involved with environmental stewardship at the Cosumnes River Preserve.

HRT assists Preserve staff with focused conservation projects that allow members to experience more of the Preserve and contribute to its success. HRT members may take advantage of specialized trainings, workshops, and events that are designed to help volunteers become more effective environmental Stewards.

Directions to the Barn

- Take I-5 to the Twin Cities Road Exit and go East.
- Turn right onto Franklin Blvd.
- Turn left onto Desmond Road.
- Go half a mile then turn right and follow the dirt road until you reach The Barn.
