

Come Lend A Hand

The Habitat Restoration Team (HRT) is an opportunity like no other; open to anyone that wishes to be truly involved with environmental stewardship at the Cosumnes River Preserve.

HRT assists Preserve staff with focused conservation projects that allow members to experience more of the Preserve and contribute to its success. HRT members may take advantage of specialized trainings, workshops, and events that are designed to help volunteers become more effective environmental stewards.

HRT is an opportunity to gain practical work experience

Directions to The Barn

- Take I-5 to the Twin Cities Road Exit & go East.
- Turn right onto Franklin Blvd.
- Turn left onto Desmond Road.
- Go half a mile then turn right and follow the dirt road until you reach The Barn

2018 Habitat Restoration Days

- The workdays are a great way to connect with the local environment and are ideal for individuals seeking service learning hours
- **Volunteers must be 18 years of age or older.**
- Work will include restoration activities on two Restoration Sites

**All Habitat Restoration Days meet at 9:00 a.m. and leave promptly at 9:30 a.m., no exceptions.
Habitat Restoration days end by 3:30 p.m.**

Date	Project	Date	Project
Jan 27	Pesticide Training	Jul 28	River Clean Up
